Youth Sponsorship Program

WHAT IS GOLF MAINE PARK DISTRICT?

Golf Maine Park District is a separate governing unit which levies its own tax to provide facilities and recreation for the District. Monies to fund District operations come from taxes, program revenue and donations. Most of our funds come from non-tax sources. Golf Maine Park District's administrative office is located at Feldman Park Recreation Center on Kathy Lane and Western Avenue in Niles. The District's other facility, Dee Park Recreation Center is located at Dee and Emerson, in Des Plaines. Our boundaries extend to Potter Road on the west, Greenwood on the east, Dempster on the south and to Heathwood Drive on the north where we abut a Commonwealth Edison easement.

GREETINGS

Golf Maine Park District is seeking the support of local area businesses to help ensure maximum participation for youths who live in this area.

We believe it is our responsibility to offer quality programming for children wishing to participate. We feel it is our obligation as a community focal point to actively engage our youngsters in healthy activities. However, in these times of economic stress, recreation is not always an affordable commodity. It has become an ever-increasing problem to have to deny an eager young participant the opportunity to play organized basketball, baseball or soccer because his/her family is unable to pay the fee.

SCOPE OF SPONSORSHIP

Youth Team and/or Individual Sponsorships have become an ideal way to accommodate many deserving children who would otherwise be unable to participate in sports activities. Besides Youth Baseball, Basketball, Soccer and Girl's Softball we have acknowledged the need to establish a fund for children who are financially unable to attend Summer Day Camp.

We provide the opportunity to enter into a reciprocal arrangement with local businesses. The cost of running quality sports and other programs is high, i.e., officials, uniforms, equipment, etc. Your support provides us means to continue offering quality programming to the community and we serve as a vehicle to promote your business via reaching the public through our ongoing programs and the publicity that accompanies them.

SPONSORSHIP FEES

To sponsor a youth sports team the fee is \$125. The fee for 8 week summer camp is approximately \$700. Even partial assistance would make it possible for a youth to attend when he/she would otherwise not be able to do so. If you would like to participate in a sponsorship program but would like something more customized to your needs, please let us know.
